

International Journal of Dental Sciences & Research

About The Journal

The International Journal of Dental Sciences & Research, an official publication of Desh Bhagat University, is a peer-reviewed, bi-annual journal. The full text of journal is available online at university website.

The Journal publishes papers of the highest scientific merit and widest possible scope work in all areas related to dental sciences. The Journal welcomes review articles, research articles, clinical research articles, case reports, editorials, and short communications. The journal allows free access (Open Access) to its contents.

Scope of Journal

The Journal focuses on all branches of dentistry and health sciences such as: Endodontics & Conservative Dentistry, Periodontics & Oral Implantology, Orthodontics and Dentofacial Orthopaedics, Oral Maxillofacial Surgery, Prosthodontics, Paediatric Dentistry, Oral Pathology, Oral Medicine & Radiology, Public Health Dentistry, Recent advances in Dentistry, allied sciences like pharmacology, microbiology, genetics, physiology etc that are connected in some way to conditions relating to the oral cavity. Articles with clinical interest and implications will be given preference.

The Journal follows a double-blind peer review process, which is completely impartial and unbiased. The journal fully believes in safeguarding the privacy of subjects involved in the studies. For this, the journal ensures that all authors upload the patient consent form when submitting a manuscript involving a study/case report with photographs or human specimens.
