# Chancellor's *Greetings*

My greetings to you!

Desh Bhagat University is recognised for producing individuals equipped with both academic credentials and a sound understanding of the world around them. Our major objective is to mould individuals who will contribute to global progress in every field.

Desh Bhagat University (DBU) in Mandi Gobindgarh, Punjab was established under Punjab Governments' Desh Bhagat University Act, 2012. It came into existence in the fondest memory of S.Lal Singh a freedom fighter and an assistant of Netaji Subhash Chander Bose. DBU has been established with the mission of pursuing excellence in higher education as envisioned by S. Lal Singh. Desh Bhagat United counts Mandi Gobindgarh, Shri Muktsar Sahib, Moga, Chandigarh, and Kenya among its campuses.

The University offers more than 126+ programmes in various streams at undergraduate, graduate, post-graduate and doctorate levels and focusses strictly on research, entrepreneurship and innovation.

The University has dedicated administrative staff, Incredibly competent teaching faculty & hardworking students. I felicitate them all and hope that they will continue to strive for still higher goals, keeping in mind that there is no best which cannot be bettered.

I firmly believe that there is no substitute for hard work and no great achievement can be made without vision. Thus, we aim at promoting career building with a cosmopolitan outlook and focus on personality growth of each individual with a high vision.

I assure the students seeking admission in Desh Bhagat University that we shall leave no stone unturned to come up to their expectations and they will find nothing wanting on our part.

**Dr. Zora Singh**  
*Chancellor*

---

*“Education should consist of a series of enchantments, each raising the individual to a higher level of awareness, understanding, and kinship with all living things”*

---

## From the Desk of **PRO CHANCELLOR**

My greetings to you!

For decades, Desh Bhagat University has nurtured into a dignitary pacesetter in Higher Education by disseminating sophisticated and meticulous learning. We have utilized our rigorous and innovative assets to imbue tangible professional attributes in the students to cope with professional and entrepreneurial intricacies. By pervading the motto of 'Confidence and Toil' in students, we strive hard to blossom a new flower of prudent and capable scholastic brains imbued with novelty and humane sensitiveness. Thus, DBU has secured a universal recognition by inculcating and empowering multifaceted anticipations in the students which ultimately sprout heap of future perspectives for them.

The transformation of Desh Bhagat Group of Institutes into Desh Bhagat University has thrown its gates wide open to innovation and taking the risk to grow and learn. Desh Bhagat University provides its students an ambience that is fused with high energy thoughts to extend oneself beyond the bars of excellence individually, academically or socially. Opportunities at Desh Bhagat University are unlimited and these opportunities are not merely mirages; rather they are backed-up by the infrastructure and guidance of experts which can give a Midas Touch to the innovative ideas of the youth.

**Dr. Tajinder Kaur**  
*Pro-Chancellor*

## From the Desk of **VICE CHANCELLOR**

Education is a continuous learning process. It is acquired in pre-designated institutions called school, colleges or home, in formal and informal learning settings throughout life span. Therefore our mission at DBU is to provide best environment to the students so as to make them life long learners.

Shaping impressionable minds of youth is one of life's biggest challenges. At Desh Bhagat University, we aim to empower our students to transform them into individuals having sharp and positive mindset with an international perspective, ready to make a mark in the professional world.

Our distinctive educational programs, industry compatible curriculum, digital & technical infrastructure and innovative teaching techniques encourage students to build up critical-thinking and learning through enquiry and reason. We aim to develop key personal and social values to exchange thoughts and ideas, and to set targets to explore and realize their one's unique potential. The experience of practical learning, industry & technology inclusion enables our students to leave our university with accomplishments and true opportunities.

The distinctive and firm underlying philosophy of Desh Bhagat University is to provide Holistic Global Education to future generations and to play a significant role in nation building. Our aim is to create a society of progressive thinking individuals who will further contribute to the intellectual development of global Community. With Extreme Joy & Happiness I invite you all to be a part of DBU Family where dreams transform into reality.

**Dr. Shalini Gupta**

*Vice-Chancellor*

## From the Desk of **REGISTRAR**

I am privileged to have been associated with Desh Bhagat University as Registrar. With the Management's supportive outlook and visionary planning of the Vice Chancellor, we envisage the University to steadily grow into a leading multi-disciplinary centre for advanced learning. Creativity, innovation and initiation are the hallmarks of Desh Bhagat University which is dedicated to the modernization of education in this region for the past 24 years.

The University has students from different states of the country and is producing skilful, efficient and confident professionals for the real world. The primary objective of University is to instill a way of discipline in our students so that they may attain success in their careers. They are encouraged to participate in numerous sports as well as cultural activities to nurture their hidden talents in a surrounding that contributes to their physical, mental and psychological growth; and helps them fulfill their ambitions through perseverance and sensible work.

University will keep enlightening young talents in the years to come and its exuberant and dynamic students can keep spreading the rays of their wisdom, knowledge, professionalism and ethics in all walks of life and set new standards for others to follow.

**Dr. Sanjiv Kalia**  
*Registrar*

# Our Glory

Desh Bhagat University, Mandi Gobindgarh came into existence under Punjab Govt's Desh Bhagat University Act. The university derives its spirit of foundation from freedom fighter Sr. Lal Singh Ji; who fought for the independence of India and in 1972 his efforts of social work & his services in the freedom struggle were recognized by awarding him with "Tamra Patra" by Govt. of India, hence the name Desh Bhagat was contemplated. DBU has been established with the mission of pursuing excellence in higher education as envisioned by Sr. Lal Singh Ji.

The university's campus at Mandi Gobindgarh, Punjab - India provides the young students a distinct and unique combination of academic, professional and personal development.

The various courses taught in the university include Agriculture Sciences, Airlines, Animation, Applied Sciences, Art & Craft, Ayurveda, Fashion Technology, Commerce, Computer Sciences, Education, Engineering, Airlines Tourism and Hospitality Management, Hotel Management and Catering Technology, Languages, Law, Management, Nursing, Dentistry and Social Sciences. Located in a totally pollution free environment, the university has a sprawling campus with state-of-the-art infrastructure including lush green Wi-Fi Campus, AC Class Rooms equipped with latest teaching aids, computer labs having latest model computers, well-stocked digital libraries, hostels for boys & girls with all modern facilities, seminar/conference halls, playgrounds and its own facility for students and faculty.

The ultimate aim of Desh Bhagat University is to provide quality education and the best possible exposure to its students in order to make them not only highly successful professionals, managers, entrepreneurs and technologists but also to make them fully responsible and awakened members of the society by imparting them the much-needed value education and soft skills.

# Vision

To emerge as the country's leading value based educational and professional hub to have transformative impact on society by practicing innovation, patronizing research and shaping global entrepreneurs and leaders

# Our Mission

## ACADEMICS

Offering innovative academic programs and delivering higher education with cutting edge technologies to meet global requirements.

## EMPLOYABILITY

Collaboration with industry for development of professional skills and entrepreneurial mind to make students industry ready.

## DIVERSITY

Embracing diversification in learning practices in preparing students for active participation in inclusive growth & development of community particularly farmers, villagers and youth.

## ETHICS

Providing a strong foundation of values and principles for developing ethical decision making and morality amongst students for sustainable growth & development.

## SERVICE

Transforming all sections of society with relevant education, contemporary research, expert consultancy and support for fostering social parity & justice.

Today's global economy rewards people who can traverse borders, understand culture and operate in International context. DESH BHAGAT UNIVERSITY is on the cutting edge of education in several areas like Engineering, Management, Hotel Management, Hospitality and Tourism, Computer Sciences, Ayurveda, Nursing, Education, Commerce, Media, Animation, Airlines, Law, Agriculture Sciences, Performing Arts, Languages, Social Sciences, Applied Sciences, Pharmacy, Dental Sciences, Paramedical Sciences, Art & Craft and Fashion Technology... The list is endless.

# STRENGTHS

*of the University*

# ACADEMIC RESOURCE CENTRE / CENTRAL LIBRARY

DESH BHAGAT UNIVERSITY HOUSES A CENTRAL LIBRARY ALONG WITH SEPARATE LIBRARIES IN EACH FACULTY TO PROVIDE ITS STUDENTS AND STAFF A CHANCE TO EXPLORE A WORLD OF KNOWLEDGE IN A CONDUCIVE ENVIRONMENT. BY MAKING ACCESSIBLE A RICH COLLECTION OF PRINT AND NON-PRINT, PRIMARY AND SECONDARY MATERIAL IN VARIOUS DISCIPLINES, THE LIBRARIES SUPPORT THE ACADEMIC AS WELL AS RESEARCH NEEDS OF THOUSANDS OF STUDENTS AND HUNDREDS OF ACADEMICIANS OF THE UNIVERSITY.

## Key Highlights

- ERP software used in the libraries for managing circulation of books is completely an automatic process which enables students and staff to search, request for, and reserve books and other reference material in the library.
- Membership with EBSCO, DELNET & ELSEVIER ( National Digital Library of UGC) enables access international and national journals of various subjects/ disciplines, promotes resource sharing among the libraries through the development of a network with the objective of collecting, storing, and disseminating information besides offering computerized services to users to coordinate efficiently for suitable collection development and also to reduce unnecessary duplication wherever possible.
- University faculties are members of IDC (Information Dissemination Centre) through which the students have access to Indian and foreign journals free of cost. All the libraries have rich collection of text and reference books, journals, magazines, audios/ videos, CD Rooms, research reports, online journals, database analysis, etc. in all disciplines and in all areas of study.
- Computer Centre in Library (50+ Computers with 1GBPS Speed Internet)
- RFID Technology in Library

# DEPARTMENT OF INDIAN KNOWLEDGE SYSTEM

Desh Bhagat University inaugurated the Department of Indian Knowledge System in the campus on April 1st, 2022 as per the guidelines laid down by the Ministry of Education, Government of India at Desh Bhagat Ayurvedic College & Hospital to promote interdisciplinary research on all aspects of Indian Knowledge System as well as to preserve and disseminate the same for future research and societal applications.

The University holds national as well as global reputation in teaching and scholarship. We have students from every state of the country. Our scholars are determined to create a culture of innovation and research by applying the latest methods as suggested in the Indian Knowledge System.

# International Centre FOR BUDDHISM AND INTERFAITH STUDIES

Desh Bhagat University, Mandi Gobindgarh organised मैत्रेय 2021 from 8th of December to 10th of December 2021 to pay homage to 400 Saala Shaheedi Purb of Sri Guru Tegh Bahadur ji. Delegation from Sri Lanka comprising Venerable Dr. Maitipe Wimalasara Maha Thera, Chief Incumbent/Director, Parama Dhamma Chethiya Maha Pirivena, Justice of Peace (All Island), Sri Lanka, and Dr. Pannaloka Thera reached in the campus on 8th of December 2021.

International Centre of Buddhism and Interfaith Studies was established under the Faculty of Social Sciences and Languages, Education, in Collaboration with, Parama Dhamma Chethiya Maha Pirivena, Sri Lanka on 09th of December which is historic in itself. It will strengthen the relations among the people of these nations. This International centre will run courses and will spread the message of peace, harmony, togetherness and comradeship among all humankind of the universe.

Entrepreneurship Development Cell has been established in the University to initiate an enthusiasm among the students of Desh Bhagat University towards entrepreneurship, to strongly inculcate entrepreneurial culture among them in this era of Globalization, Liberalization and Privatization. India calls for creating an entrepreneurial culture and attitude among the students to become embodiment of job provider rather than employment seekers. Such a transformation, it is hoped, would reap immense benefits for the society. IEDC is the job creator for future entrepreneurs.

**The National Education Policy of India 2020 (NEP 2020)**, which was approved by the Union Cabinet of India, outlines the vision of new education system of India. The policy is a comprehensive framework for higher education as well as vocational training in both rural and urban India. The NEP 2020 policy aims to transform India's education system with holistic education, multi-disciplinary programme with multiple entry and multiple exit options. The policy also emphasis on skill based education with Apprenticeship Internship Embedded Program. NEP Cell of Desh Bhagat University and DBU Center of Excellence are working to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper through apprenticeship and internship embedded programme under NEP 2020. The Cell will also promote skill based holistic development in both academic and non-academic areas. Students will get flexibility to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talent and interest. The NEP Cell and DBU Center of Excellence provides all required facilities for the program under suitable arrangements for industrial collaboration through discipline specific, commercial and noncommercial organizations, for providing traineeship under Embedding Apprenticeship/Internship as per UGC Guidelines under NEP-2020. The New National Education Policy objective is to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper.

DBU focuses an practical knowledge of the studies by giving exposure to industry

**Various industry driven courses are being started in the campus under FIIP and ITP Schemes leading to AEDP of UGC**

The Initiative of New Education Policy (NEP), by the Government of India, New Delhi is a path breaking step, which will go a long way in bringing in structural changes in the higher education system of the nation

Desh Bhagat University (DBU) has implemented the National Education Policy 2020 by Govt of India, New Delhi. NEP Cell of Desh Bhagat University and DBU Centre of Excellence are working to run Apprenticeship & Internship Embedded Degree Programme under NEP 2020. The real benefit will be accrued to not only the students of Desh Bhagat University but to students of other Universities also who wish to join this University to enhance their skills and knowledge. Desh Bhagat University will promote skill based holistic development in both academic and non-academic areas. Students will have the flexibility to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests.

As per UGC Guidelines for Higher Education, institutions to offer Apprenticeship & Internship Embedded Degree Programme (AEDP) which enables the students to demonstrate professional abilities in the subjects of their choice and improves the employability of students by linking them with education and industry, commercial/non-commercial organizations. UGC through The Learning Outcomes bases Curriculum Framework (LOCF) provides flexibility and innovation in program design and syllabus development by University Schools/Departments. Desh Bhagat University, Mandi Gobindgarh, Punjab is thankful to the Ministry of Human Resource Development, Government of India for reposing faith in us & for that matter in all Higher Educational Institutes.

# Industrial VISITS

To provide practical exposure to the students, the corporate relations cell of Desh Bhagat University organizes industrial visits for the students. The students can observe and learn how theoretical concepts are put into action, thereby aiding their practical learning. Students are exposed to a real working environment and are shown how things are done in an organisation. From the details about the management to the targets they achieve, everything is covered through these visits.

## ALUMNI CHAPTER

Alumni have a special connection with the university and as a result are likely to be some of its more loyal supporters. We spoke to Molly Southwood, Head of Alumni Relations at the University of Bath who expanded on this: "An engaged alumni network allows the University to benefit from the skills and experience of our graduates, by offering their support to our students, to the institution and to each other. If we keep them properly informed and engaged, alumni are our most loyal supporters and our best ambassadors, offering invaluable marketing and promotion across their personal and professional networks."

## ALUMNI NETWORK

Desh Bhagat University Alumni Network draws its strength from the individual chapters, just as the chapters gain recognition and seek guidance from the association. Chapters may be set up in any location—a city, a state, or even a country with a minimum of 30 Alumni. The objectives of the Chapters and all their activities are in consonance with the objectives of the Alumni Association. Each Chapter is expected to have an elected Executive Committee and its own office bearers. Desh Bhagat University Organizes Alumni Chapter Canada, Jammu, Chandigarh, Bangalore & Delhi. Our Alumni are Changing the World.

## STUDENTS FEEDBACK

I am feeling glad to say that I have been a student of Desh Bhagat University which gave me the chance to make my future bright and helped me fulfill my dreams. I would like to thank the faculty of Management and Computer Science which made me able to get Project Engineer's job in Wipro. I also thank Training and Placement Department which works hard to brighten a student's future and provides such opportunities.

Being a part of Desh Bhagat University is an exciting experience and I am grateful to this Institution for giving me a chance to strengthen my personality, identify my weakness and helping me to develop my personality holistically.

I am particularly thankful to the Placement Department and Computer Science Department that has done so much for us. It is because of the hard labour of faculty members that I have been placed in IDS INFO-TECH, a great organisation. I whole heartedly thank the Institute for giving me the first stepping stone from which I have risen to greater heights and make my Institute & Parents proud.  
"I've really enjoyed the whole experience – Thank You"

The experience at Desh Bhagat University was truly good as that was the starting point of my academic development. I have learnt a lot during my study in this prestigious institutions. I am highly indebted to this alma mater for enlightening me and teaching me the lessons of life.

I am an alumni of B.Tech (Mechanical) of Faculty of Engineering, I have been placed in Metro Tyre Ltd. I am highly thankful to our department for providing multiple career opportunities. My sincere thanks goes to my teachers for their honest guidance and hard work which is paving paths for success and glory to the students

# ACCOMMODATION

The University has utilized its resources to provide best in class dorm amenities within the campus. Equipped with Wi-Fi, AC/ cooler, attached washrooms, hygienic meals, served three times a day, the university strives a lot to make students feel like home. Residential services for both boys and girls with furnished rooms are also facilitated in Chandigarh by the University.

## Other Facilities

- Hospital (24x7 Emergency)
- MJK City Centre
- DBuzz Super Market
- Food Court
- Badminton & Volleyball
- Gym and other sports facilities
- Documentation Centre
- Banking Services

# BUSINESS ADMINISTRATION AND HOSPITALITY MANAGEMENT

Department of Business Management  
Department of Commerce  
Department of Hotel Management  
Department of Airlines and tourism

The intensive study programs at the Faculty of Business Administration and Hospitality Management are modeled to turn individuals into cross functional leaders and strategists that can skillfully handle challenges affecting businesses transversely in a dynamic and an interconnected world. Our distinguished methodology helps students obtain a profound perspective on critical management and leadership while maintaining a professional business momentum. The faculty comprises of skilled educators and ground breaking researchers in the field of commerce, economics, finance and management. Students absorb a lot of knowledge while working in group projects, business simulations and entrepreneurship development projects.

## Programmes Offered:

**Ph.D /MPhil in Business Management, Commerce and Economics**  
Eligibility : As per UGC norm | Duration: As per UGC norm  
**MBA**

Eligibility: Graduation with minimum 50% Marks | Duration: 2 years

**BBA :**

Eligibility: 10+2 Pass (No Mathematics Required) | Duration: 3 years

**M.Com.**

Eligibility: Bachelor's Degree (Commerce/Management/Economics/Accounting) with 50% Aggregate Marks | Duration: 2 years

**B.Com.**

Eligibility: 10+2 with minimum 45% marks | Duration: 3 years

**Diploma (Hospital Administration, Hospital Waste Management)**

Eligibility- 10th Or Equivalent From Recognized Board | Duration- 1 Year

**M.Sc. Hotel Management:**

Eligibility Graduation, Duration 2 years

**M.Sc. ATHM**

Eligibility: Graduation in any stream |Duration: 2 years

**B.Sc. Hotel Management & Catering Technology:**

Eligibility : 10+2 | Duration 3 years

**B.Sc. in Hospitality & Hotel Administration**

Eligibility +2 English as compulsory subject Duration 3 Years

**B.Sc. ATHM**

Eligibility: 10+2 in any stream with 45% marks, |Duration: 3 years

**Diploma in (Food Production, Food & Beverage Service, Bakery & Confectionery)**

Eligibility : 10+2 | Duration 1.5 Years

## Best Features of Business Administration & Hospitality Management

- Latest Industry Ready Curriculum.
- Well Trained and Qualified Staff, holding Industry Exposure.
- Regular Guest Lectures from Industry for Practical Knowledge.
- Learning through Activities: Quiz, Role play, Presentation, Videos.
- Personality Development Cell – To Groom the personality of the students through Presentations, Communication Labs and Mock Interviews.
- Fully Wi-Fi
- Technical Competitions every week.
- Digital Notes
- Model Based Assignments Free legal advice available
- Best well planned infrastructure, modern equipments, strong training & placement cell, development of right behavior, special attention of personal grooming, professional uniform & hygiene, scholarship for sc, st students, free personality development & special classes special English speaking training.

## Scope:

Students start up their career in either government sector or private sector since there are a lot of employment opportunities in both these sectors. The courses help the students get a sound knowledge of computer applications with the help of which they can have a perfect launch pad for challenging career in the field of information technology. We know that India is an IT power. Thus it is obvious that the course of BCA will provide jobs in the IT sector. The companies such as Wipro, InfoTech, Satyam, [TCS] Tata Consultancy Service, Siemens Communications, and even International companies such as Vodafone, and Essar Communications are hiring Students every year. Students can easily get jobs in airlines, at airports and in hotel industry as well. Career Opportunities for Hospitality Graduates Global growth and development of tourism have opened up innumerable avenues for employment. As a result, the graduating students can look forward to career opportunities as;

- Management Trainee in Hotel and allied hospitality industry;
- Kitchen Management/Housekeeping Management positions in Hotels after initial stint as trainee;
- Flight Kitchens and on-board flight services
- Indian Defence Hospitality services
- Marketing/Sales Executive in Hotel and other Service Sectors
- State Tourism Development Corporations
- Entrepreneurship
- Multinational Companies
- Teaching

## FACULTY OF DESIGN

Department of Fine Arts  
Department of Fashion Technology

The Faculty of Design is an ecosystem of diverse philosophies and practices bestowing students with a productive platform to nurture their lifelong passion for creative engagement. The studio based education here refines each prospective artist to challenge conventional ideas, be agile and engage in a continual process of enquiry and exploration. A comprehensive curriculum encompasses each specialization in an ambit of the latest industrial trends and commercial scenarios whether it is fashion technology, animation, multi-media, interior designing and art & craft.

### Programmes Offered:

#### Ph.D. Fine Arts

Eligibility: MA Fine Arts/ MFA with 55%, Duration: minimum 3 years maximum 5 years

#### Bachelor of Fine Arts (BFA), Painting & Sculpture

Eligibility: 10+2 with 50% (General) & 45% (Reserve Categories) in any stream, | Duration: 4 Years

#### Master in Fine Arts (MFA), Painting & Sculpture

Eligibility: 10+2 with 50% (General) & 45% (Reserve Categories) in any stream, | Duration: 4 Years

#### Diploma in Art and Craft

Eligibility: 10th with 45%, Duration: 2 years

#### B.Sc in Fashion Technology (B.Sc. FT)

Eligibility: 10+2 (Any Stream) with minimum 45% aggregate, Duration: 3 Years

#### M.Sc in Fashion Technology (M.Sc. FT)

Eligibility: Graduation ( Any Stream) with minimum 50% aggregate, Duration : 2 years

### Best features of Faculty of Design

Full of Creativity and Aesthetically Sound Department

### Scope:

To be an Art Critic, Art Historian, Art Teacher, Assistant Professor, Free Lance Artist, Art Designer, Set Designer and many more opportunities.

Fashion Technology has a wide scope of good career opportunities. Fashion Designing is one of the most lucrative careers, attractive and glamorous in the modern world. There are many opportunities in the Fashion Industry which is constantly changing.

The beginning of the international Fashion market in India has given impetus to the Fashion Industry which has become a booming career in fashion designing is more in more demand then ever.

Thus, many young people who are attracted to these attributes will definitely invade the Fashion Industry.

### Shining Stars

Jagseer Singh, Hasdeep Singh got First prize in National Art Exhibition at Amritsar

## FACULTY OF INFORMATION TECHNOLOGY AND LIBRARY SCIENCES

Department of Library Sciences  
Department of Computer Science and Applications

There are bright career prospects for computer science professionals in recent scenario. With the opening of huge software and IT companies in India, the job opportunities for trained professionals have increased considerably. India is known to be a leader in software and IT sector. Computer Science graduates and MCA pass outs find job opportunities in a variety of environments in academia, research, industry, government, private, business organizations and so on. They are involved in analyzing problems for solutions, formulating and testing, using advanced communications or multi-media equipment, or working in teams for product development. The software and IT companies are the major employers of computer science graduates. They offer the best packages to the young graduates which are unmatched with other branches of science.

### Programmes Offered:

**Ph.D/ M.Phil in Computer Sciences & Applications, Library Sciences**

**Duration:** As per UGC norm | **Eligibility:** As per UGC norm

**MCA (Master of Computer Application)**

**Eligibility :** BCA/Bachelor Degree in Computer Science Engineering or its equivalent degree Or passed B.Sc./ B.Com./BA with Mathematics at 10+2 or its equivalent level or Graduation level (with additional bridge courses as per norms of University)

**Duration:** 2 Years

**M.Lib (Master of Library Sciences )**

**Eligibility :** B. Lib from a recognized Institute/University.

**Duration:** 1 Year

**M.Sc IT**

**Eligibility :** B.Sc IT from a recognized Institute/University.

**Duration:** 2 Years

**BCA (Bachelor of Computer Applications)**

**Eligibility :** 10+2 or its equivalent from a recognized Board

**Duration:** 3 Years

**B.Sc IT**

**Eligibility :** 10+2 or its equivalent from a recognized Board

**Duration:** 3 Years

**PGDCA**

**Eligibility :** Bachelor's Degree in Computer Application

**Duration:** 2 Years

### Best Features of Faculty of Information and Library Sciences

- Latest Industry Ready Curriculum.
- Well Trained and Qualified Staff, holding Industry Exposure.
- Regular Guest Lectures from Industry for Practical Knowledge.
- Learning through Activities: Quiz, Role play, Presentation, Videos.
- Personality Development Cell – To Groom the personality of the students field through Presentations, Communication Labs and Mock Interviews.
- Fully Wi-Fi
- Technical Competitions every week.
- Digital Notes
- Model Based Assignments Prepare students for the 21st century global workforce and Identify current and emerging technologies related to information services.
- Assist students with understanding the various career choices in Library
- Books on every subject with latest edition available in Central Library for students
- Provide Digital Library access to students

### Scope:

Students can start their career in either Government sector or private sector since there are a lot of employment opportunities in both these sectors. This degree helps the students to get a sound knowledge on computer applications with the help of which they can have a perfect launch pad for challenging career in the field of information technology. Academic (University, College and School Library) Public Library, Special Library and National Library

## ENGINEERING AND APPLIED SCIENCES

Department of Civil Engineering  
Department of Mechanical Engineering  
Department of Computer Science and Engineering  
Department of Electronics and Communication Engg.  
Department of Electrical Engineering  
Department of Applied Sciences

Distinguished for its academic brilliance and exceptional learning experience, Desh Bhagat University is a trailblazer in education, offering latest courses demanded by the industry. With top notch faculty and an enormous industry interface during academic sessions, the university excels in grooming aspiring engineers with its fine curriculums and teaching methodology. Students from faraway places come here to study and find the serene environment at the campus, a great reason to be mindful, notice new things, learn and to have fun.

### Programmes Offered:

#### Ph.D in Engineering and Applied Sciences:

**Duration:** As per UGC norm | **Eligibility:** As per UGC norm

#### M-Tech:

Computer Science Engineering | Construction Tech. & Management |  
Electrical Engineering | Structure Engineering | Transport Engineering |  
Mechanical Engineering

**Eligibility:** A candidate must have passed B. Tech. in the relevant discipline from any recognized Institute/University with minimum 45% marks in aggregate. Or must have passed A and B Section of Institute of Engineering (India), Calcutta examination OR equivalent

**Duration:** 2 Years

#### B. Tech:

**Duration:** 4 Years

**Eligibility:** 10+2 Non-Medical or Diploma

#### Diploma in Engineering :

**Duration:** 3 Years

**Eligibility :**10th or 10+2 vocational

#### M.Sc.

(Physics, Chemistry, Mathematics)

**Duration:** 2 Years

**Eligibility:** B.Tech/B.E Degree

#### M.Sc. (Mathematics)

**Eligibility:** B.A. / B. Sc. (General) with Mathematics as a major subject from any recognized University /colleges/ Institutes

**Duration:** 2 Years

#### M.Sc. (Physics)

**Eligibility:** B.Sc. with Physics, Chemistry & Mathematics from any recognized Institute/University.

**Duration:** 2 Years

### Streams

Aeronautical Engineering, Computer Science & Engineering, Information Technology, Electronics & Communication Engineering, Civil Engineering, Mechanical Engineering, Electrical Engineering, Applied Sciences (Chemistry, Physics and Mathematics)

### Accreditations:

University Grants Commission

### Collaborations:

NITTTR , Aeronautical Society of India, CAAD Centre, Rajpura, Wing Aviation, Hyderabad, Rajiv Gandhi Flying Club, Hyderabad, Global Aviation, Chandigarh, Eastmen Ludhiana, Rudra Casting Khanna, Metalecraft Rajpura, Prabhat Forging Mandi Gobindgarh, Shri Pannel Khanna, Hoshiarpur Automobile Ludhiana, Hero cycle Ludhiana, Ralson Son's Ludhiana, Metro Tyre Ludhiana, CTR Ludhiana.

## Scope:

---

**Mechanical Engineering:** Automobile Industry, Manufacturing Industry, Textile Industry, Automation and Robotics, Production Industry, CNC, DNC, NC Industry, Designing Industry or Department,

**Civil Engineering:** Civil Engineering has scope in many fields:- Building Construction, Building Design , Structural Design, Railways, Airport Designing, Ports and Harbors, PWD (B&R), Irrigation, Highways & Bridge Design

**Aeronautical Engineering:** Gov. Jobs, Air Force, DRDO, Isro Research Centre, Indian Army, Indian Navy, Pvt. Aviation Club, NASA

**Computer Science & Engineering:** CSE has become an indispensable part of human civilization. For every learned individual, it is an asset for the knowledge economy. Computer Science Engineering not only grooms research scientists who have passion for invention and has novel design of new technology but also explores new vistas for the use of existing technology.

**Electronics and Communication Engineering:** Telecom, Defense, Space Research Organization, Consumer Products, Bio-medical Equipment, Agriculture

**Electrical Engineering:** Electronics, Digital Computers, Power Engineering, Telecommunications, Control Systems, Radio-Frequency Engineering, Signal Processing, Instrumentation and Microelectronics

**Applied Sciences :** Scope in academics in Universities, Colleges, in Industries.

**Designation in Company:** Software Developers, Hardware Engineers, System Designer, System Analyst, Networking Engineers, DBA, Software Testing, Security Analyst etc.

**Top Companies:** Google, Yahoo, Hewlett-Packard, International Business Machines Corporation, Toshiba Corporation, Dell Inc, NEC Corporation, Canon Inc, Apple Inc, ASUSTEK Computer Inc, Acer Inc, Lenovo Group Limited, SAIC, Sun Micro system, TCS, Infosys, HCL, Wipro, CMC, CMS, L&T, Tech Mahindra etc.

## Key Highlights

---

- Work on renewable energy resources as Solar Car, Solar Ac, Hydraulic Loader, Compressed Air Car, 360 Angle Rotation Car.
- Department has young & highly motivated faculties with good academic experience.
- Most of the faculty members presented & published papers at several reputed National, International Conferences and journals.
- CSE has well equipped laboratories with hardware and software Facilities.
- Department is working on outcome base teaching-learning process.
- The Department has ACE Club under which cultural, technical and non-technical events are organized.
- Department has a good number of Placements
- Summer Internship in Industries is provided to students by Department.
- Department has organized Soft Skills & Technical Skills Development Programs for students in coordination with T&P Department.
- Expert & Disciplined Faculty, teaching through digital notes, well equipped labs, trained lab instructor. More Emphasis on practical knowledge, hands on training for under graduate students. Imparting knowledge of basic Softwares used in Electronics Engineering like MATLAB, XILING, ORCAD etc.
- Electrical Engg. is fascinating and rewarding field of study with many opportunities to solve key engg .problems.
- Emerging sector in Air Transportation
- Students from B.Tech 3rd year cleared AMCAT exam
- Industrial Visit in each semester
- Conducted A National Seminar RT/AT (Recent Trends in Aerospace Technology) -2016

- The major strength of department is experienced & motivated faculty working together as a team.
- Department has developed extraordinary infrastructure, class room, laboratories, CAD labs.
- Department has strong links with construction Industries in the form of regular industrial visits, guest lecturers, and summer training for all students and value added workshop on auto-CAD.

## Best Features of Department:

---

Project work in innovative technology.

- It is the BEST Engineering having Open Source Projects and other engineering disciplines depend on CSE like CAD: Computer Aided Design, Simulators and so on.
- More focus on practical, skill development and technical training.
- Invention new building material & designing green buildings (promoting Sustainable development)
- Facilities : CAD, computer assisted design, simulation, MATLAB.

## FACULTY OF EDUCATION

Department of Education

The Faculty of Education of the university offers the largest and most comprehensive teacher training programs that qualify students to teach in a variety of educational institutes across India and abroad at the pre primary, elementary and secondary levels. The training curriculum meets the standardized qualifications for teachers under the RTE Act and is in alignment with the mandate of NCTE. The school of education continually welcomes students in a milieu of incessant learning and training reflective practitioners that can respond adequately to the diverse requirements of students in managed classroom sessions of the twenty first century.

### Programmes Offered:

#### Ph.D/M.Phil in Education

Duration : As per UGC norms | Eligibility: As per UGC norms

#### M.Ed. (Master of Education)

Eligibility: A candidate must have passed B. Ed. degree from any recognized Institute/University with minimum 50% marks. (For SC candidates - 45%)

Duration: 2 Years

#### M.A. Education

Eligibility: Bachelors' Degree in any discipline from a recognized University.

Duration: 2 Years

#### B.Ed. (Bachelor in Education)

Eligibility: Bachelor's Degree in any stream from any recognized Institute/University with minimum 50% marks. (For SC candidates - 45%)

Duration: 2 Years

### Best features of Education department

Choice Based Credit System, Module System, E- journals, Books, International Seminars, Food Processing Unit, Educational Trips, Inter house Activities, NSS Unit, Shakti Scholarship Scheme, Red Ribbon Club, Music & Art Club, Training in Making, Handicrafts, Candle Making, Flower Making.

### Scope:

Teaching, Counseling, Social Welfare Department, Banks, Call Centre, Languages Department

### Key Highlights:

Guidance and Counseling Cell, Women Redressal Cell, Social Swaerness Rally & Winter Fair

### Accreditations:

NAAC 2010

## FACULTY OF SOCIAL SCIENCES AND LANGUAGES

Department of Political Science /Public Administration  
Department of History  
Department of Psychology  
Department of Sociology  
Department of Economics  
Department of Hindi  
Department of English  
Department of Punjabi

Understanding social phenomena is vital in our complex and fast-moving world. Faculty of Social Sciences and Languages is a team of world-class academicians that range widely across disciplines to engage with issues that matter today. Studying Social Sciences will inspire and challenge students interested in exploring subjects like History, Political Science, Sociology, Public Administration. Our social scientists work together on many interdisciplinary projects although each division is a centre of excellence in its own right for research, teaching and learning.

### Programmes Offered:

**Ph.D/M.Phil in Social Sciences and Languages**

**Duration :** As per UGC norms | **Eligibility:** As per UGC norms

**B.A**

History, Political Science, Public Administration, Psychology, Sociology, English, Hindi, Punjabi, Economics

**Eligibility:** Bachelor's Degree with Political Science as one of the subjects from a recognized Institute/ University.

**Duration:** 3 Years

**M.A. s**

History, Political Science, Public Administration, Psychology, Sociology, English, Hindi, Punjabi, Economics

**Eligibility:** Graduation with minimum 45% marks in aggregate for general category & 40% for SC/ST/OBC or 50% in relevant subject

**Duration:** 2 Years

### Scope:

The university trains the next generation of social science graduates for a plethora of opportunities in fields like administration, advertising, broadcasting, charity, consultancy, public relations, recruitments, marketing research, social research, social work, teaching, youth work, entertainment, media, law enforcement and protection, housing, teaching, international development, trade unions, youth justice, probation services public administration and healthcare.

## FACULTY OF LEGAL STUDIES

Department of Law

At Faculty of Legal Studies, academics are about more than just course work. They are about interdisciplinary intellectual dialogue, first-hand layering, clinical experiences and always a global approach to training the leaders of tomorrow. The Faculty of Legal Studies works towards the advancement of institutional expertise in the area of legal research and education by augmenting academic and professional excellence, developing critical and relentless engagement with legal theory and practice, synergizing law, legal research, legal education and action to further the quest for justice.

### Programmes Offered:

#### Ph.D/M.Phil in Law

Duration : As per UGC norms | Eligibility: As per UGC norms

#### LLB

Eligibility: (for gen. 45%) (For others 40%) on graduation basis

Duration: 3 Years

#### BALLB

Eligibility: (for gen. 45%) (For others 40%) on 10+2 basis

Duration: 5 Years

#### LLM

Eligibility: Graduation with minimum 45% marks

Duration- 2 year

### Scope:

Practice, Judicial Services, Legal Advisor, Law Officers, Teaching

### Accreditations:

Approval from Bar Council of India

### Key Highlights:

Moot Courts, Legal Aid Camps, Court Visits

### Best Features

Free Legal advice available

## FACULTY OF AGRICULTURE AND LIFE SCIENCES

Department of Agriculture  
Department of Botany  
Department of Zoology

The Faculty of Agriculture and Life Sciences encompasses agricultural production and the environment goods and services that the rural sector provides. We have an ambition to enable 21st century to feed, fuel and clothe the world's burgeoning population, using agricultural systems that are sustainable, humane, and beneficial to rural environment, and to those who work and dwell there worldwide. The department has the focus on teaching, learning and research in animal science, crop science, international development and the environment. The modular structure of our courses allows students to select from many subjects taught across the faculty and the university by experts in their field, thus providing for the individuals student's specialist needs as well as developing a core understanding of their subjects.

### Programmes Offered:

#### Ph.D in Agriculture

Duration : As per UGC norms | Eligibility: As per UGC norms

#### Ph.D in Life Sciences (Botany, Zoology, Microbiology)

Duration : As per UGC norms | Eligibility: As per UGC norms

#### M.Sc. Horticulture

Eligibility: B.Sc. (Agriculture) or B.Sc. (Agriculture) (Hons.) or B.Sc.(Horticulture) or B.Sc. (Biotechnology) (Hons.) (4 years) from a recognized University

Duration: 2 Years

#### B.Sc. Agriculture

Eligibility: Direct Entry: A candidate must have passed Matriculation from a Board recognized or established by State/Central Government.

Lateral Entry : A candidate must have passed 10+2 or its equivalent Science from a Board recognized or established by Central/State Government with Vocational/Technical subjects OR 10th from a board recognized or established by Central/State Government with 2 years ITI with appropriate specialization

Duration: 2 Years

#### M. Sc. (Botany)

Eligibility: B.Sc. Medical with Botany as one of the subjects from a recognized Institute/University.

Duration: 2 Years

#### M. Sc. (Chemistry)

Eligibility: B.Sc. with Physics, Chemistry & Biology/Mathematics from any recognized Institute/University.

Duration: 2 Years

#### M. Sc. (Zoology)

Eligibility: B.Sc. Medical with Zoology as one of the subjects from a recognized Institute/University.

Duration: 2 Years

### Best Features

- Well qualified faculty
- Practical approach towards teaching
- Focus on learning and research
- Introduction to latest technology in the field of Agriculture
- Semester training for practical knowledge
- Special workshops for gaining knowledge about latest techniques
- Introduction to latest technology in the field of agriculture
- Usage of machinery
- Study of irrigation systems
- Generation of ideas towards more production
- Detailed study on the fertility of land and its production

### Labs & Farms

Agricultural Farms, Basic Agriculture Lab, Plant Pathology Lab, Soil Testing Lab, Agronomy and Horticulture, Tissue Culture Lab

## FACULTY OF AYURVEDA AND RESEARCH

Department of Ayurveda and Research

Ayurveda, also called 'the science of life' originated 5000 years ago and is most ancient system of healing known to man today. The study of ayurveda lays a powerful emphasis on prevention by balancing every individuals unique patter of energy that manifests as physical, mental and emotional. The science involves a careful health assessment and examination of the root of imbalance in relation to key symptoms, and also a thorough evaluation for suitability of treatments. The centre of Ayurveda was the first school of Ayurvedic Sciences to establish in Punjab with a 150 bedded hospital and a Panchkarma Centre.

### Programmes Offered:

---

**Ph.D in Ayurveda**

Duration : As per UGC norms | Eligibility: As per UGC norms

**M.D. (Kayachikitsa)**

Eligibility: BAMS with all India Ayush Post-Graduate Entrance Test (AIAPGET)

Duration: 3 yrs,

**M.D. (Rasashastra)**

Eligibility: BAMS with all India Ayush Post-Graduate Entrance Test (AIAPGET)

Duration: 3 yrs,

**BAMS**

Eligibility: 10+2 Medical with 50% Marks in PCB & English and National Eligibility Cum Entrance test (NEET)

Duration: 5½ yrs,

### Scope:

---

Govt. Job/Own Practice/ Lectureship / can run Pharmacy /Panchkarma Center

### Best Features

---

Well Established Pharmacy & Hospital

### Shining Star

---

Isha, Manmeet, Harmandeep, Amrit Kaur

## FACULTY OF NURSING

School of Nursing  
S.Lal Singh Memorial Institute of Nursing

We provide the education which meets the latest international medical standards. The net result of education and training at our school prepares competent nurses capable of working under all sorts of situations. Keeping in mind the huge demand for skilled nurses all over the globe, the university offers highly sought after B.Sc Nursing courses targeting high quality patient care and able handling of clinical complications through M.Sc. Nursing, and Post Basic B.Sc. Nursing. Our faculty is engaged in training students in a live hospital environment where they have the opportunity to work along with doctors and see a one to one interaction with patients and also take relevant notes. Regular medical checkup camps help students learn the required communication skills relevant to their profession whilst also learning how to deal with patient with severe to mild illnesses. Reaching out to community is a top initiative at Desh Bhagat College of Nursing, Punjab rather than perusing the doctrine of theoretical knowledge only.

### Programmes Offered:

#### Ph.D/M.Phil in Nursing

Duration : As per UGC norms | Eligibility: As per UGC norms

#### M.Sc (Nursing)

Should be a registered Nurse & registered Midwife from any nursing council, B.Sc Nursing/ B.Sc. Hons. Nursing/ Post Basic B.Sc Nursing with Minimum 55% marks, Minimum 1 Year work Exp. after B.Sc. Nursing and minimum 1 year work exp after or before post basic B.Sc. Nursing.

Eligibility: Graduation in nursing with 50% marks.

Duration: 2 Years

#### B.Sc (Nursing)

Minimum age for admission shall be 17 year on 31st Dec. of the year in which admission is sought.

Eligibility: 10+2 (Medical), 45% in PCB, English as Qualifying Examination

Duration : 4 Years

#### Post Basic B.Sc (Nursing)

Eligibility: Diploma in Nursing (GNM) + Registration with State Council, GNM pass with RN/RM Number

Duration : 2 Year

### Scope:

Nursing Officer, Nursing Educator, Clinical Instructor, Tutor, Demonstrator, Lecturer, Staff Nurse

# FASHION SHOW

# Ragging in any form is Strictly Prohibited

Anti-Ragging measures are taken as per guidelines of various authorities such as-

- With the direction of Hon'ble Supreme court of India, dated 8-5-2009 (in Civil Appeal No. 887 of 2009)
- Guidelines of University Grants Commission vide [www.ugc.ac.in](http://www.ugc.ac.in)
- Punjab Govt. as per The Punjab Educational Institutions (Prohibition of Ragging) Act, 2013 Punjab Act No. 25 of 2013
- Decisions taken from time to time by District level Anti Ragging Committee constituted under the Chairmanship of Deputy Commissioner

As per the orders/ Instructions/ guidelines issued by the above mentioned authorities, the following steps are taken in the University:

- An Anti Ragging Committee has been Constituted at the University level.
- Anti Ragging Squad has been constituted to ensure proper compliance of various instructions relating to prevention of ragging in the University.
- A monitoring cell has been established to co-ordinate the activities relating to prevention of ragging by the students in the University Campus / Hostels.
- Orientation programs and counseling sessions are held regularly to create a proper environment for preventing any act of ragging.
- Each student is required to fill his/her affidavits ONLINE. Every student must submit an Anti Ragging Form at the time of admission in the University. This process must be repeated by every student every year (Not only the new coming First Year student). There is no need for Notary or Stamp Paper. For this, all students and parents will fill up the anti-ragging forms which are available on Desh Bhagat University website by following the below mentioned steps:

Steps :-

- Visit the website [www.deshbhagatuniversity.in](http://www.deshbhagatuniversity.in)
- Click on the link Anti Ragging
- Fill the online form
- The hard copy of the forms duly filled in by students/ parents is to be submitted in the Admin Office of the concerned University School.
