INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CAMPUS (IEDC)

Entrepreneurship Development Cell has been established in the University to initiate an enthusiasm among the students of Desh Bhagat University towards entrepreneurship, to strongly inculcate entrepreneurial culture among them in this era of Globalization, Liberalization and Privatization. India calls for creating an entrepreneurial culture and attitude among the students to become embodiment of job provider rather than employment seekers. Such a transformation, it is hoped, would reap immense benefits for the society. IEDC is the job creator for future entrepreneurs.
