# FACULTY OF EDUCATION

Department of Education

Department of Special Education & Training

## About

The Faculty of Education of the university offers the largest and most comprehensive teacher training programs that qualify students to teach in a variety of educational institutes across India and abroad at the Pre-primary, Elementary and Secondary levels. The training curriculum meets the standardized qualifications for teachers under the RTE Act and is in alignment with the mandate of UGC, NCTE&RCI. The aim of the department is to prepare individuals who will bring change through teaching, leadership, research and services in their professions and in the community. Moreover, despite this, we also aim to develop professionally equipped and humane teachers and quality practitioners in the field of education. It offers innovative academic discourse and programmes for preparing professionals at various levels of education. The Faculty of Education continually welcomes students in a milieu of incessant learning and training reflective practitioners that can respond adequately to the diverse requirements of students in managed classroom sessions of the twenty first century.

# CORE VALUE

**Academic Excellence:** University strives for the uncompromising quality and highest standard of excellence in teaching, learning, research and scholarship across various disciplines.

**Pursuit of Excellence in Research and Innovation:** University is driven by research and innovation and ensures continuous engagement in the scholarly activities in the pursuit of innovation, creativity and excellence.

**Morality and Ethics:** University upholds the highest ethical values, integrity and professionalism and an unwavering commitment to academic freedom, transparency and accountability.

**Social Commitment and Inclusiveness:** University commits to nurture and preserve an environment of safety, trust, mutual respect, equality and diversity in its all endeavours to ensure fairness and inclusiveness.

**Environmental Sustainability:** University is aware of its environmental responsibilities and embraces principle of sustainable development to ensure that any adverse environmental impact of its activities is minimized.

**Service:** University seeks to serve the diverse, personal and professional development need of its constituents and encourages habit of engagement, caring, and civic responsibility by emphasizing a connection between service, excellence and career growth.

## From the HOD Desk

Prof.(Dr.) Precious Sheoran  
HoD, Faculty of Education

Desh Bhagat College of Education has been functional since 2004 under the Punjabi University Patiala, presently this college is functioning under the Faculty of Education of Desh Bhagat University, and is engaged in imparting teacher Education through its committed faculty. The Department was Established after the inspection of NCTE & RCI and is continuously working with full zeal and dedication in the field of teacher education, special education and general education. The department is producing quality doctorates, teacher educators and teaches in the field of general and special education by following all norms, regulations and standards set by the regulators NCTE, RCI, UGC and SCERT. The Department is having well qualified teaching staff and non-teaching staff members and scholars who make continuous efforts in shaping the behavior of students and their attainment levels through continuous and comprehensive evaluation Viz CBCS-LOCF Framework adopted by the University. Department focusing on all round development of the students and hence emphasize on participation of students in co-curricular and extra-curricular activities. The course curricula have been designed in a way to master the pupil teachers in handling various issues related to child psychology, latest technology, and innovative methods in their teaching by providing inputs necessary for shaping their overall behaviors and analytical communication abilities. We are also developing a culture of research by encouraging our students in various Educational research areas. In the Department as well as at university level. Seminars, assignments, internal tests, field works, research work and internship are integral components in almost all UG and PG programmes of the department. Many students of department have been selected at university, college and school levels in the state & outside the state. The faculty of the department is engaged in various educational research areas.
