DEPARTMENT OF
PHYSICAL EDUCATION
AND YOGIC SCIENCES

ABOUT US

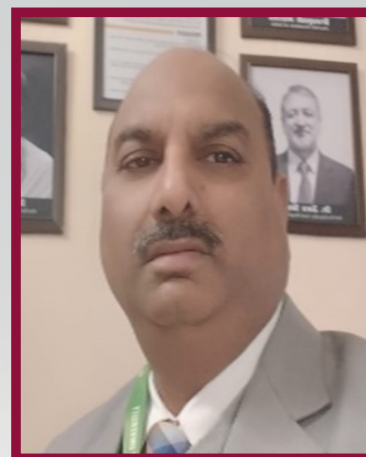

Department of Physical Education and Yogic Sciences is one of the leading Departments of the University working not for only the Academic Growth of the students but also have the focus on all round development of the students. The department has emerged as one of the premier center of Physical Education in India. The Department of Physical Education develops warrior leaders of character who are physically and mentally tough by engaging leaders in activities that promote and enhance a healthy lifestyle, physical fitness, movement behavior, and psychomotor performance. Department offers programs like Bachelor of Physical Education & Sports (BPES), Master in Physical Education & Sports (MPES), Post Graduate Diploma in Yoga, Master in Arts in Yoga (MA Yoga) and Doctorate in Physical Education.

The department is enriched with cultural diversity and have students not only from all parts of India but also from other countries. The curriculum of all the programs is based on the guidelines of NEP (National Education Policy) that provides a professional vision. Players of the department of Physical Education of Desh Bhagat University brings laurel to the the University /State and Nation with their extra Ordinary sports achievements. Our players have won Medals at at state level, national level, Inter University level, Khelo India and during Asian Championships held in India and abroad.

The well qualified and experienced faculty of the Department is our strength. Students of the Department are the stars in the fields of Sports and always flourish at national and International level with their sports achievements. Due their excellence talent in Due to their excellent talent in the Academics and Sports students get good jobs in Government and Private sectors on handsome packages.

From the Principal Desk

Dr. Pravin Kumar
Director,
Department of Physical Education and Yogic Sciences.

Department of Physical Education and Yogic Sciences is recognized with its unique features. The department produces not only academicians but also produces academicians but also a hub of elite sports persons. The achievement of the students at national and international level provides us an extra edge. The curriculum reflects all the required features of NEP and provides privilege to the students of multiple entry and exit facility. The latest infrastructure attracts the students and makes them passionate toward their goal. The Department is committed to support and develop the healthy environment which will provide a complete learning experience to its students making sports form an integral part of education and holistic development.
