

MEMORANDUM OF UNDERSTANDING (MoU)

This MoU made and agreed at Chandigarh on 8th July, 2025 Tuesday by and
Between

Pharminox Laboratories through its Director (herein after called **Pharminox Lab** which expression shall where ever the context so admits includes its successors and permitted assignees) of the first part

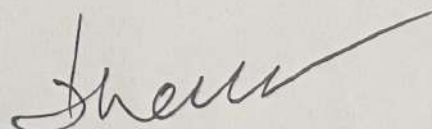

and

Desh Bhagat University, Mandi Gobindgarh through its **Vice Chancellor** (herein after called **DBU** which expression shall where the context so admits include its executers, successors and permitted assignees) of the other part.

PREAMBLE:

Pharminox Laboratories is a leading pharmaceutical Company with a wide product range dealing in Specility pharmaceuticals, contract manufacturing of sterile injectables and non-sterile products and generics having tie ups with 12 highly facilitated manufacturing units all over india.

Desh Bhagat Group of Institutes came into Existence in 1996 in Punjab & University got established on 25 th October, 2012 through the Act of Punjab Government. Desh Bhagat University, Mandi Gobindgarh came into existence under Punjab Govt's Desh Bhagat University Act. The university derives its spirit of foundation from freedom fighter Sr. Lal Singh Ji, who fought for the independence of India and in 1972 his efforts of social work & his services in the freedom struggle were recognized by awarding him with "Tamra Patra" by Govt. of India, hence the name Desh Bhagat was contemplated. Our infrastructure at Desh Bhagat university (A NAAC A+ university recognized by UGC, NCIMS, Dental Council of India, Nursing council of india, Pharmacy Council of India and other relevant regulatory bodies.) is highly conducive for multidisciplinary collaborations as we have an Ayurvedic college with PG seats and Ph.D./D.Sc., Agriculture College up to Ph.D. and 50 acres of agricultural land, 3 Pharmacy

Colleges, College of paramedical Sciences, Nursing college, 300 bedded hospital, 14 faculties of science management and humanities, a school and a well-established Desh Bhagat Radio Channel as well as media department. University is also entitled by UGG for Online and Open Distance Learning Programmes.

The mission of the University is to create an intellectual, academic and physical environment, conducive to free flow of ideas and exchange of information within the country and abroad, thereby opening a window to the world for the health professionals, health planners, health managers, biomedical and social scientists and educators in health sciences of the country.

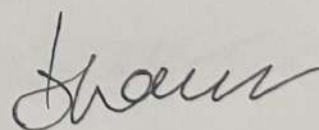

Whereas both the parties have agreed to exploit the potential and draw mutual benefits of resources. Now, therefore, in consideration of the premises and mutual covenants hereinafter contained, the parties hereto agree as follows:

OBJECTIVES AND SCOPE OF THE MoU:

As our university is an autonomous body and both the organizations can collaborate for faculty expertise, hand holding in specific areas of product development, Ayurvedic nutraceuticals development, collaborative R&D projects etc. , collaborative outreach activities and any other area of collaboration in which this university can participate.

RESPONSIBILITIES OF PARTIES:

1. **Pharminox Lab** and DBU as the case may collaborate with each other for collaborative research projects of the students of M.Pharmacy/ M.Tech./M.Sc./Ph.D./M.D.(Ay)/MDS from different streams as per mandate.
2. Both the institutes may utilize the intellectual knowledge and technical infrastructure of each other for research purposes.
3. That this collaboration will extend the facilities of the two institutions/hospital/ labs/resources to train each other's students/ faculties to facilitate the overall research and training.

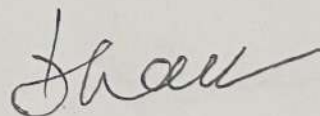

4. That the two institutions will conduct outreach programs and trainings for mutual benefits in areas of common interest.
5. That there will be collaboration between the Faculty Members and Scientists of DBU and the Faculty Members and Scientists of **Pharminox Lab** in the areas of joint interest.
6. That DBU and **Pharminox Lab** may apply for collaborative projects jointly to national and international funding agencies with mutual consent clearly depicted in the project regarding allocation of funds and ownership of the instruments/ non-recurring items.
7. That the scientists of **Pharminox Lab** and its partners may be invited to deliver lectures in specific courses/seminars/conferences etc at DBU and vice versa and the mobility of Professors/Faculty members/Scientists of DBU and **Pharminox Lab** between DBU and **Pharminox Lab** will be encouraged.
8. That the research publications and other outcomes from joint work will be equally shared by both the institutions.
9. Both institutes may undertake joint programs of mutual interest as in-house supported and/or sponsored/contract research from public funding agencies or industry.
10. **Pharminox Lab** may supply quality generic medicines to pharmacy of DBU at subsidized rates for sale to students/faculty etc.

EFFECTIVE DATE, DURATION AND TERMINATION OF MoU:

The MoU shall be effective from the date of signing and shall remain in force for a period of 5 years from the said date (subject to further extension on mutually agreed terms and conditions).

All notices and other communications required to be served on parties under the terms of this MoU, shall be considered to be duly served if the same shall have been delivered to or posted by registered mail to:
