DBEST-PHARMET 2026

PROSPECTUS
2026-2027

Message from Chancellor

Dear Students,

It gives me immense pleasure to welcome you to Desh Bhagat University and the Faculty of Pharmacy for the academic session 2026–27.

Desh Bhagat University has remained committed to providing quality education that transforms lives and contributes to nation-building. Our mission is not merely to award degrees but to nurture responsible professionals, innovators, researchers, and leaders who can positively impact society.

The field of Pharmacy plays a vital role in advancing healthcare and improving the quality of life of millions of people. As healthcare systems become increasingly technology-driven and research-oriented, the demand for highly skilled pharmacy professionals continues to grow globally. At DBU, students are provided with a vibrant academic ecosystem supported by experienced faculty, modern laboratories, industry collaborations, research opportunities, and a culture of innovation.

I am particularly proud that the University is continuously embracing emerging technologies, interdisciplinary education, international collaborations, entrepreneurship, and Artificial Intelligence-driven learning to prepare students for the future. Our focus remains on creating globally competent professionals with strong ethical values and a commitment to serving humanity.

I congratulate all aspiring students who have chosen Pharmacy as their career path. I encourage you to make the most of every opportunity, strive for excellence, uphold professional ethics, and contribute meaningfully to the healthcare sector.

I wish you great success in **DBEST-PHARMET 2026** and a rewarding journey at Desh Bhagat University. Together, let us shape a healthier, innovative, and brighter future for society.

With Best Wishes,

Dr. Zora Singh
Chancellor, DBU

Message from **Pro Chancellor**

Dear Students,

It gives me immense pleasure to welcome aspiring pharmacy professionals to Desh Bhagat University's Faculty of Pharmacy. Healthcare systems across the world are evolving rapidly, creating unprecedented opportunities for pharmacists, researchers, innovators, and healthcare leaders.

At Desh Bhagat University, we believe that pharmacy education must go beyond textbooks and laboratories. Our focus is on nurturing competent professionals with strong ethical values, scientific temperament, compassion, and a commitment to public health. Through advanced laboratories, industry exposure, research opportunities, community outreach initiatives, and global learning pathways, we prepare students to excel in a highly dynamic healthcare ecosystem.

The Faculty of Pharmacy offers a vibrant academic environment where students are encouraged to explore innovation, entrepreneurship, research, and interdisciplinary learning. Our integration of emerging technologies, including Artificial Intelligence and digital healthcare applications, ensures that graduates remain future-ready and globally competitive.

I invite you to join the DBU family and embark on a journey of knowledge, innovation, and service to humanity.

Wishing you a successful and fulfilling career in Pharmacy.

DR. TAJINDER KAUR
Pro-Chancellor, DBU

Message from President

Dear Students,

Welcome to Desh Bhagat University, a NAAC A+ Accredited University committed to academic excellence, innovation, entrepreneurship, and societal impact.

The pharmaceutical sector is one of the fastest-growing industries globally, offering rewarding careers in healthcare, drug discovery, research, manufacturing, quality assurance, regulatory affairs, pharmacovigilance, clinical research, and entrepreneurship. The Faculty of Pharmacy at DBU has established itself as a center of excellence through quality education, modern infrastructure, experienced faculty, industry collaborations, and a strong culture of research and innovation.

Our vision is to create professionals who are not only academically strong but also industry-ready and globally employable. Through initiatives such as Coursera-integrated learning, Minor in Artificial Intelligence, innovation and startup support, skill enhancement programs, and robust placement assistance, we ensure holistic development of every student.

As you prepare for **DBEST-PHARMET 2026**, I encourage you to dream big, work hard, and embrace opportunities that shape your future. The healthcare sector needs dedicated professionals who can make a meaningful difference in society, and we look forward to supporting you in that mission.

Your journey towards a successful healthcare career begins here.

PROF. (DR.) SANDEEP SINGH
President, DBU

Message from **Vice Chancellor**

Dear Aspirants,

I warmly welcome you to the Faculty of Pharmacy at Desh Bhagat University.

Pharmacy today stands at the intersection of healthcare, research, biotechnology, artificial intelligence, and innovation. The future pharmacist is expected not only to understand medicines but also to contribute to patient care, healthcare technology, research, public health, and pharmaceutical entrepreneurship.

At Desh Bhagat University, we are committed to creating a transformative learning experience through outcome-based education, experiential learning, research opportunities, industry engagement, and global exposure. Our students benefit from modern laboratories, dedicated faculty mentors, innovation ecosystems, placement support, professional certifications, and multidisciplinary learning opportunities.

With the introduction of the 24-credit Minor in Artificial Intelligence, Coursera-powered global certifications, strong industry linkages, and research-focused initiatives, we are preparing graduates for emerging opportunities in pharmaceutical sciences and healthcare technologies.

I encourage every aspiring student to approach **DBEST-PHARMET 2026** with confidence and determination. Your dedication today will pave the way for a meaningful and impactful career tomorrow.

Join us in shaping the future of healthcare, innovation, and pharmaceutical excellence.

Best wishes for **DBEST-PHARMET 2026** and a successful academic journey at Desh Bhagat University.

PROF. (DR.) HARSH SADAWARTI
Vice Chancellor, DBU

Principal Desk

Prof. (Dr.) Puja Gulati
Faculty of Pharmacy

School of Pharmacy, Desh Bhagat University, Mandi Gobindgarh has an excellent infrastructure with all the sophisticated and ambient research atmosphere, international standards, highly qualified, and dedicated faculty and staff, who are committed to providing an outstanding educational experience to the students in the field of Pharmacy.

The faculty members contribute substantially to academia through quality teaching, publications, seminars, conferences, etc. The School of Pharmacy has established itself as a centre of excellence in Pharmaceutical Sciences in North India and provides a multidisciplinary and multifaceted curriculum involving the study of the discovery of new drug molecules to their evaluation, development, approval for human consumption, manufacturing, and every other important aspect.

At the School of Pharmacy, Desh Bhagat University, you will learn new concepts, unlearn a few, widen your horizons, apply your minds, explore your talents, and take up a social responsibility to improve the healthcare system and ultimately become an ethical professional and responsible citizen. So, my dear students, utilize your university days to create a solid foundation of knowledge to become technically competent professionals and healthcare providers in the field of Pharmacy.

Here's wishing you a very happy and healthy career in Pharmacy.

To Emerge as a Premier Pharmacy College Imparting Education of High Standards

Mission

- **Education:** Provide the most comprehensive and highest quality education for pharmaceutical sciences in a learning environment that embraces diversity, equity, integrity, ethics, moral courage and accountability.
- **Community Service:** Conduct health education programs to the community to prevent disease and improve public health and wellness by fostering an environment that promotes the safe, efficacious and cost-effective use of medications.
- **Research:** Develop a passion for discovery and innovations with multidisciplinary collaborative research and engage in creative partnerships locally and globally to advance health education, research and practice.
- **Entrepreneurship:** Encourage and support resourcefulness, originality, imagination, ingenuity and vision in our students, faculty and staff. Foster the development of entrepreneurs who have the ability to dream, inspire, innovate and courage to envisage the commercial success and socio economic productivity of innovations.

About the School of Pharmacy

Education in Punjab has been evolving rapidly, especially in the field of pharmacy. With a variety of options available, students seeking a B. Pharmacy degree can explore the best pharmacy colleges in Punjab. Among them, Desh Bhagat School of Pharmacy stands out with over 20 years of experience, offering more than 256 academic courses, including Pharm D, M. Pharmacy, B. Pharmacy, and D. Pharmacy—all accredited by the Pharmacy Council of India. This institution is equipped with state-of-the-art facilities and a dedicated faculty, ensuring that students receive top-notch education in pharmaceuticals. “The School of Pharmacy is a renowned institution in pharmaceutical sciences. It offers a Master's of Pharmacy (M. Pharma), Bachelor of Pharmacy (B. Pharma), Doctorate of Pharmacy (Pharm. D), and Diploma in Pharmacy (D. Pharm) program designed to give students a thorough understanding of pharmacy principles and practices. This program focuses on developing expertise in key areas such as drug discovery, development, production, testing, and regulatory compliance. With a highly qualified faculty and state-of-the-art laboratories, the School of Pharmacy ensures a rich educational experience. Students also engage in internships, providing vital hands-on training in the pharmacy field. The college's dedication to student success is highlighted by its robust career development initiatives and strong connections with the industry. These factors contribute to the School of Pharmacy's reputation as one of the leading pharmacy colleges in Punjab.

Popular Career Paths:

Pharmacy is a multidisciplinary healthcare profession focused on ensuring the quality, safety, efficacy, and rational use of medicines. Its scope encompasses hospital pharmacy and community pharmacy practice, pharmaceutical manufacturing, quality assurance, regulatory affairs, pharmacovigilance, research and development, public health, and academia. Contemporary pharmacy practice emphasizes patient-centered care, evidence-based therapeutics, and interprofessional collaboration. PharmD-trained pharmacists play a critical role in clinical decision making, medication therapy management, and the prevention of drug-related problems across healthcare environments. Advances in biotechnology, pharmacogenomics, artificial intelligence, and digital health have further expanded the professional scope of pharmacy, positioning pharmacists as essential contributors to modern healthcare systems and improved patient outcomes worldwide.
